mfs.com

Uncovering new opportunities with existing clients

Once clients reach Full Retirement Age (FRA) for Social Security, they are eligible for 100% of their Social Security benefits.*

Opportunities to target include adjusting drawdown strategies to account for taxation of benefits, potential Roth IRA conversions, and the pros and cons of withdrawing from a portfolio or letting Social Security benefits accrue in value until they max out at age 70.** Please keep in mind your clients' financial needs, goals and risk tolerance.

*Full Retirement Age is 66 years and ten months for anyone born in 1959. It is age 67 for anyone born in 1960 or later.
